### Getting there from Montréal

Autoroute 15, Route 329 North and 125 North

### Description

With its six great rivers and 400 lakes and streams, Mont-Tremblant national park is a canoer's paradise. It's a rich amalgam of Québec's natural and historical heritages, being the largest and oldest park in the network. This wilderness is so vast that it is home to 40 mammal species, including the wolf. Mont-Tremblant national park is open year-round and has something for everyone.
